

August / September 2016

Welcome back to art class with Mrs. LoBianco! I am excited for a new school year. I have been looking for some new ideas and fun things to do this year with all grade levels.

Here is what students have been working on in August and September:

All grades started out their first day of art learning about the procedures and rules for the art room. They also received their assigned seat.

Grades 1-5 began the year creating a personalized cover for their sketchbooks and learned or reviewed the steps for doing the Weekly Draw in their sketchbooks. They spend 3-4 minutes each class doing an observational drawing of an object or artifact.

ALL grades also celebrated **International Dot Day** by listening to the story The Dot by Peter H. Reynolds and creating different types of dot artwork.

- 5th Mono Print Dot
- 4th Collaborative Quarter Dots
- 3rd Warm and Cool Dots
- 2nd Positive and Negative Painted Dots
- 1st Spin Painting Dots and Fancy Frames
- K Blurred Marker Dots

the
dot

Kindergarten, 3rd, and 5th completed a grade level pre-assessment to see what concepts they already knew and what we need to focus on for the school year.
