

October 2016

Here's what each grade level has been working on in October:

5th Shoe Point-of-View

They learned about 3 different points-of-view and began drawing their own shoes from the bird's-eye view.

4th Value Scales and Shading 3-D Forms Practice

They used Ebony pencils to practice 3, 5, and 7 different values using pressure. They also practiced gradual value changes on 3-D forms using a specific light source.

3rd Picasso Style Profile Portraits

They combined a profile and front portrait in Picasso's style of abstraction called Cubism.

2nd Leaf Watercolor Paintings

They began doing contour line drawings of leaves.

1st Turtle Color Wheels

They drew and painted a color wheel in the shape of a turtle. They used different painting techniques for the background.

Kd9. Line Landscape

They began drawing a landscape using various lines that they have learned. They learned how to color evenly and smooth.
